

PATRON MEMBERS FOCUS: WHO THEY ARE AND WHAT THEY DO

BRUNSWICK CORPORATION

As the leading manufacturer and marketer of products such as pleasure boats, marine engines, fitness equipment, bowling equipment, billiards tables, marine electronics and navigation systems, Brunswick has been creating high quality products for recreational enthusiasts since 1845. They have contributed a great deal to recreational boating and continue to do all they can to help support boating safety. Please visit www.brunswick.com for more information on this innovative company. We like to thank them for all their hard work and dedication to recreational boating.

METLIFE AUTO & HOME

Serving their customers in a broad range of capacities from insurance to investments and banking, MetLife has been committed to producing innovative products and services that are in the best interest of the public for over 137 years. They have demonstrated a strong commitment to boating safety by partnering with many organizations to produce pamphlets, brochures, posters, and even lending their signature character Snoopy to help promote boating safety. They are cosponsors of the NSBC's annual Congressional Reception and continue to demonstrate their dedication to recreational boating safety. Please visit www.metlife.com for more information. The NSBC would like to thank MetLife for their continued support.

Happy Holidays from the National Safe Boating Council!
